The MCP Plus rounds off the Weidmüller labelling systems and the Weidmüller MultiCard concept. Its automatic pen depot enables the plotter pens to be stored directly on the plotter, and the special sealing rings prevent the nibs from drying out. Only two mounting frames are necessary for labelling our complete range of MultiCard products.

**General ordering data**

Order No.	<a href="#">1139400000</a>
Part designation	MCP BASIC
Version	Marking systems, Labelling device
GTIN (EAN)	4032248921041
Qty.	1 pc(s).
